- Thank you to everyone who participated in the Covid-19 vaccine clinics here. 30 of us received both doses! If you have not gotten the vaccine and are interested in receiving one, when the eligibility opens up, call 833-422-4255 or visit myturn.ca.gov. This clinic is located at Hummell Hall on 20th St west here in Rosamond.
- Do we really need to remind everyone that there is to be only **ONE HOUSEHOLD** in the laundry rooms at a time?! This is not the place to meet your friends and or stand and have a conversation. And now with the new camera system, we can go back and see who exactly is in the laundry rooms. (which we have done on a couple of occasions). To help alleviate this we will open the east automatic door for access to the mailboxes only! An updated **LANUDRY ROOM SCHEDULE** is attached. The only change is doors will open at 7:30 a.m. and close by 7 p.m. daily. Everyone can consider this the first ‘written verbal’ warning!
- Also, only **SERVICE** animals are allowed in the buildings. And the office must have the certified paperwork of service dogs. A doctor’s note is not proof of Service Animal status. ‘Companion &/or emotional support animals’ could be allowed if you have prior permission.

➤ A reminder about recertification paperwork. Please come prepared with your current (2021) benefit letter, 3 months bank statements or Debit card receipt showing balance. Packets go out 90 days in advance as follows....

- April 1st for July certs
- May 1st for August certs
- June 1st for September certs
