

# Hello Spring

- The first Thursday of each month we are having "MOVIE DAY" ! It is in the South Rec Room @ 1:00. We will have popcorn & sweet treats so come enjoy a good movie on a huge screen with your friends and neighbors.
- PLEASE DO NOT throw BIG items in the dumpsters like TV's- Electric Scooters- microwaves- couches/ chairs etc..if you have a big item, please let Russell know and we will try to help you dispose of the item. Thank you
- Please keep your dog on a leash!! And PLEASE pick up its poop!!!!!! This is still a problem on the property -Respect our grounds and eachother!!!!!!
- If you sleep on an electric hospital bed PLEASE be aware that if your remote happens to get lodged between the bed

and the mattress for a period of time, it could cause fire. This did happen to a tenant this week and the Fire Dept was called . You may come into the office for more info.!!
