More Important Information

- If a washer or dryer is not working you can call (800)342-5932. All you need to provide is a machine number and they will come out to fix it.
- Maintenance would like to remind everyone that once a dumpster is full you must keep it shut and use another in the apartment complex. Thank you!
- For those who are not aware there is a program through Kern County that will install a walk in shower in your apartment for zero cost. If you are interested, please feel free to contact the office or Mac.
