- A reminder that the new Lease, Apartment Rules and all addendums go in to affect March 1st. If you didn't read these documents last month, now would be a good time to review. Most of the policies have always been with us. The biggest change now is the smoking policy. Designated smoking areas are set up along the west fence. Please use these areas when you need to light up. Please take note of vehicle regulations and the policies on guests (14 days only), sub-letting your unit (not allowed). And **PETS!** So many things addressed are common sense & common courtesy. I'm sure you're as tired of hearing this as I am of saying it!!! You're adults, be responsible and kind!
- Thank you to for adhering to our COVID policies. And, **YES**, masks are still required to be worn when you are out on the grounds!!!
